If you have a player in your life but don't understand the game at all, then this is the book for you. Aimed at friends and family who go along to watch but have no real idea what is going on. This is the first in a series of guides for bemused supporters. After reading this book, you will know all about free kicks (direct and indirect), the difference between a goal kick and a corner kick and of course you will stun everyone with your knowledge of the infamous offside law and the way to beat the offside trap. You may even surprise family footballers by knowing more than them about the history of the game. We'll guide you on choosing kit, keeping it clean and ensuring your favourite player (whatever their relationship is to you) turns up to play looking well prepared and feeling part of the team. We've also included the latest support etiquette guidance if you're going along to matches for the first time. This book is for all bemused supporters, male and female, who loyally turn out to cheer in all weathers.
