GENESIS OF THE SPACE RACE: THE INNER EARTH AND THE EXTRA TERRESTRIALS (PAPERBACK)

Timestream Pictures, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. John B. Leith was born in 1920 with a photographic mind. He graduated from high school in 1937 and took spiritual training in Lhasa, Tibet for nine months before joining the Office of Strategic Services. During the last two years of WW II he led a six-man special-forces team out of London specializing in breaking prisoners out of German jails in France, Germany, and Poland. Though he became the most highly decorated soldier of any war, he was not allowed to acknowledge he had any combat service until after his death. He studied literature at Oxford while describing his 12 most exciting of 62 missions behind German lines. As liaison officer between General Patton and Gen Von Rundstedt he learned how selected people were fleeing Germany. These missions are described in *The Man with the Golden Sword*. Leith studied in Canada and spent 25 years earning a living as a journalist. In 1975, after demonstrating that he could keep his OSS experiences hidden from the public for 30 years, the CIA asked Leith to team up with another wartime OSS officer, Father John in WW II, and interview people associated with the development of "round-wing planes," both for our allies and for Germany. Neither group was allowed to use that technology for war, because both were assisted by wiser beings from off this planet. *Genesis for The Space Race: The Inner Earth and the Extraterrestrials* was dedicated to "an unsung hero, Jonathan E. Caldwell, inventor of this civilization's first spacecraft." He used several names for security. Read about him on Wikipedia. Like most CIA-approved releases, this 376-page book was required to have disinformation published with it and shown in a map of inner-Earth civilizations provided by an...
